## Directions.

From Keswick take the B5289 Borrowdale road down the East side of Derwentwater. Approximately 3 miles from Keswick on the right-hand side is the Mary Mount Hotel just after Kettlewell Car Park. The Lodore Falls Hotel is further along on the left. For the Mary Mount Hotel turn in and park towards the bottom of the car park. Please be quiet, in consideration of the hotel guests. From here you will see a gate leading into the hotel garden, follow the path along the river, over the bridge and you will see our green building through the trees on the shore next to the jetty. You then need to collect a Parking Permit to place in your windscreen. It will only be valid for the activity period.
